## MESSAGE FROM THE PRESIDENT

Welcome to Fall – the weather has changed, we’ve had a bit of rain and hoping for more, and the days and nights are cooler. As happens this time of year we all need to get our Flu shots, your COVID booster (now available to all), and prepare for family and friends for holiday parties.

Thanks to everyone who Zoomed in to our September luncheon to hear Teri Crosby. She gave us a lot of great information on Chevron Chemicals including Oronite and CP Chem, and how they are positioned to handle the world markets and achieving lower carbon and higher returns.

The Graduates Luncheon on December 3 is going to be held via Zoom again this year. Please see the sign-up information in this newsletter.

We continue to welcome new retirees! Please see the list later in this newsletter. If you ever want to get in touch with another club member, let us know. While we don’t share contact information without permission, we can contact the other party with your information. We’ve done this a few times recently to connect past work colleagues.

We have some board members that are retiring. Please, if you might have an interest in joining the Chapter Board, give me a call. I can fill you in on what it is all about. We meet 4 times per year. You can have a specific role or be an at large member. You can be on the path for a larger role or stay just as an at-large board member. But in all cases, you will be helping the ongoing strength of our chapter which is vital to our organization. Will you help?

This is also the time for Membership Renewals. Please fill out the form and include a check for your renewed membership. We would love to have you let us know what’s new in your life (or what you are still enjoying!) so please jot a couple of sentences in the “What’s New With You” section of the form as well and we will publish them in future newsletters. We also use the renewal time to solicit donations for our Contra Costa Chapter Scholarships. We (and the recipients) thank you for your support in the past and hope that you will provide support again this year. Please see the Scholarship article in this newsletter.

We finally held our CRA Annual Meeting (2020 was cancelled) where the chapter presidents, committee chairs, Area VPs and Past CRA Presidents all get together to talk about CRA, set plans for this coming year, listen to updates on Chevron, retiree benefits, and Corporate Affairs. We were honored again this year with Mike Wirth attending dinner with us. We had a split of about 3/4 in-person and 1/4 on Zoom. We have pictures on the CRA website ([chevronretirees.org](http://chevronretirees.org)).

## MESSAGE FROM THE PRESIDENT (continued)

I am pleased to announce that I am the President of CRA for this coming year.

There were 2 Public Service Awards granted at the Annual Meeting this year. Chevron sponsors awards to two retirees that give back to others through volunteerism, public service, and community engagement. Mike Wirth presented the awards and both recipients were from the SF Bay Area, our own Debbie Jones and East Bay Chapter's Mike Lubcyik. The winners of the awards nominate a non-profit agency to receive a \$5,000 award. More on Debbie and her award in this newsletter, and on both winners in a special 5th Encore to be published later this month, which will be at this location once it's published (<http://chevronretirees.org/PublicationsGroup/Encore.aspx>). More information on the CRA Annual Meeting will be in the Encore as well.

We are having our Lunar New Year Luncheon again this year. This is a cross-chapter event which this year is being led by the East Bay Chapter. Please join us in this celebration on February 9th. See the announcement in this newsletter.

The CRA Hiking Group is going strong. We have about 60 members and had our largest hike on 11/13 with 16 people - retirees and employees. Contact [CoCoCRAEvents@Gmail.com](mailto:CoCoCRAEvents@Gmail.com) for more information.

If anyone needs assistance or just wants to talk with someone, please send a note to [CoCoCRAevents@gmail.com](mailto:CoCoCRAevents@gmail.com) or give me a call at (925) 348-6707.

Stay safe, healthy, and sane, and be of service to yourself and others.

## SCHOLARSHIP PROGRAM 2022-2023

Our Contra Costa Chevron Retirees Chapter has initiated the start of the 2022-2023 Scholarship Program with the current newsletter and the dues notice that is included in it. Thanks to the generous donations of our members, we have had a very successful scholarship program, distributing over \$112,000 to 73 students since 2005. Prior to the 2021-2022 program, we had an outside organization administering the program. We now have a chapter Scholarship Committee with internal and external judges evaluating the scholarship applications.

We suggest that you encourage your children, grandchildren, or great-grandchildren to apply for one of the scholarships. We anticipate awarding four scholarships for \$2000 each, but this will depend on your generous donations to the program. The scholarship application is available on our chapter website. The deadline for the scholarship submission is May 15, 2022.

Students may apply each year they are eligible, but those who have previously been awarded a scholarship by our organization are not eligible to reapply. The criteria for eligibility are:

- Be a child, grandchild or great grandchild of a dues paying member of the chapter.
- Be age 25 and under.
- Be enrolled, or plan to be enrolled, in the coming school year in a full-time undergraduate course of study at an accredited two or four-year college or university.

**Please watch our newsletters and website to see if there are date changes or process changes.**

If you have any questions, you can send an email to [scholarship@chevronretireescontracosta.org](mailto:scholarship@chevronretireescontracosta.org) or by calling Brad McCullough at (925) 348-6707.

## MEMBER'S NEWS

*(Please note we receive Member News items once or twice a year but we have four newsletters so we try to space them out.)*

**Helen Romain** – I'm retiring from the Board after 15 years. It has been a pleasure to be on the Board and for the past 13 years as the coordinator of the scholarship program. Education has always been a part of my career, starting with working at Golden Gate University for 15 years and then joining COPI and working for Chevron for the remaining 22 years of my career. For about 12 years, working for COPI, I administered a scholarship program for Angolans who came over to the US to study undergraduate and graduate degree programs. It has been a wonderful career and topped off with being a member of our chapter's Board. I encourage you to get involved with the Board!

**Ellen Barker** – Have been busy selling home in East Bay and moving to Kauai. Just getting settled. Don't feel retired yet.

**Brigida Cruz** – I am a new member with Chevron retirees' association. I retired in December 2020. During the past four months, I've enjoyed hiking, table tennis, and limited family get togethers. Travel is my favorite activity and am looking forward to being able to see the world again.

**James D. O'Brient** - Just completed first trip since Pandemic started – visited our cottage in Maine and a wedding for middle son at Bear Mountain State Park in New York. Busy as always. President of Moraga Valley Kiwanis Club, Program Director and President-Elect for Northern California Geological Society; on Board and Operating Committee for Moraga Garden Farms; Mt. Diablo Docent; 50th reunion planning committee for Amherst College Class of 1973. New granddaughter, Vivian, living in SF was born just before pandemic and has been a great help to weathering this storm!

**Susan Oki** - Enjoying retirement as we try to work around COVID. I'm certainly keeping busy working with multiple non-profit organizations (BSA, church, etc.), and enjoying my 4 year old grandson. Looking forward to traveling in 2022.

**Donna Toy** - Enjoying retirement with new puppy (Cooper), bike riding and hiking. Looking forward to staying in touch with everyone!

**Catty Dickert** - I am focusing on being a better mom, daughter and wife, and feeling very fortunate to have the opportunity to do so.

**Linda Vest** - This pandemic has slowed down my travel addiction, but I was able to spend two weeks in Uganda in August. It was amazing to see gorillas and chimpanzees in the wild. I am enjoying my 4th year of retirement and planning future adventures.

**Dave Rogers** - It's hard to believe I have been retired 6 years. This is my initial post to the CRA newsletter. Some of my time, post-retirement, has been spent relearning old hobbies, such as woodworking and furniture building. I have also dedicated a great deal of time and treasure supporting several non-profits. I serve on the Board of Directors for The Father's House Church, one of the largest non-denominational churches in the SF Bay Area. Additionally, I serve as Board Chairman for the Whitworth University School of Business in Spokane, WA. In those non-profit roles, I have leveraged management/leadership practices that I gleaned from several of our Chevron East Bay Chapter Alumni. 2021 has turned out to be my personal 100,000 mile overhaul that included dental gum grafting surgery, foot surgery and spine surgery. All three surgeries have gone well. I am currently rehabbing from spine surgery. My wife, Danae, along with our two adult children, continue to live in the East Bay.

**John Dewes and Kathy Henschel** - John celebrated his 85th birthday at the CRA Annual Meeting in LA. Highlight was the tour of the El Segundo refinery where he worked in 1965-66. Kathy and John have been enjoying release from confinement with live music and some domestic travel.

## IMPORTANT UPDATE ON COVID-19 VACCINE BOOSTER SHOTS

Good news! If you're 18 or older and you're fully vaccinated for COVID-19, you can get a COVID-19 vaccine booster shot. Booster shots are now available for the Pfizer, Moderna, and Johnson & Johnson COVID-19 vaccines. You can get a booster shot at least 6 months after you complete your second dose of the Pfizer or Moderna vaccine. Or, you can get a booster shot of the Johnson & Johnson vaccine at least 2 months after your first dose. The booster shot can help strengthen and prolong your protection against COVID-19. Visit [CDC.gov](https://www.cdc.gov) or contact your medical plan or primary care physician for more information. Remember: The COVID-19 vaccine booster shot is no cost to you.

## PUBLIC SERVICE AWARDS

Our own Debbie Jones received one of the two Public Service Awards given out by Chevron to retirees at our Annual Meeting. Debbie retired in 2016 and started volunteering at Tracy Interfaith Ministries ([www.tracyinterfaith.org](http://www.tracyinterfaith.org)) that same year. Tracy Interfaith Ministries started in 1988 and services the low-income residents who live within the Tracy Unified School District and Lammersville School District and also help those stranded in Tracy. They always provide some food even when they must refer some clients to another town for help. No one leaves their premises hungry.

In Debbie's words: "Tracy Interfaith Ministries is a faith-based organization with support from 22 churches. We require nothing more than evidence of need from our clients. In addition to food and clothing, we provide many other essentials such as shampoo and toothpaste, and in some instances, we provide emergency bus tickets, plus referrals to other service organizations. Annually we serve about 36,000 clients, receive donations of about 500,000 pounds of food (not including the food we purchase), and receive donations of about 300,000 pounds of clothing. I started off working in the pantry and warehouse, receiving food donations, stocking shelves and filling food orders for clients. Then, suddenly out of the blue, the Treasurer died at the end of 2017. The Assistant Director there knew my background and I was asked to step into the role of Treasurer. I've been doing that role ever since and for the most part I continued my work in the warehouse and pantry – with a partial break last year when I had some health issues. But, I've steadfastly done all their bookkeeping requirements, handled all their audits, worked with their CPAs and made sure all the tax filings were completed. Just recently, the Director and I were able to obtain a Sales Tax Exemption for items we purchase and hand out to our clients (things like toothpaste, toothbrushes, laundry soap, and dish soap).

Tracy Interfaith Ministries has been long established in Tracy and are very much supported by the Tracy community. As an example of this support, the City leases them the land their building is located on at \$1 a year for 50 years. They provide food and clothing free of charge to low income individuals and families. I use my volunteer hours to obtain the Chevron Grant and Chevron matches my donations to this organization. Up until this point, it has been an entirely volunteer run organization. However, last week, our Board of Directors voted to start paying our Director. This responsibility for setting up the payroll will fall on me. Thankfully, I have the support of the Board to outsource this (which is the recommendation of our CPA firm). I am very happy that I am able to use the skills I learned at Chevron to contribute to this organization. It does help keep my mind sharp and I know how much Tracy Interfaith appreciates the work I do for them – they thank me ALL the time"

Debbie retired in 2016 after 36 years of service, mostly in the Tax Department.

## CONTRA COSTA COUNTY HICAP

HICAP (Health Insurance Counseling and Advocacy Program) is a government-funded all-volunteer organization that exists to help people decide which type of Health Insurance is best for their circumstances and as an advocate for the consumer.

## EMPLOYEE STORE FAQ'S:

### What is an employee store?

- The Columbia Sportswear Company Employee Store is a private store for Columbia employees, friends and family. The store is not open to the public as the pricing is at *our* employee discount, about 40-50% below retail on current merchandise from our family of brands - Columbia, Mountain Hardwear, SOREL, and prAna.

### What are the benefits of visiting the store?

- Accessing the store allows you to shop our brands at our employee pricing (40 -50% below retail).
- The store is always stocked with current season products across all of our brands.
- You will find apparel and footwear for men, women and children. In addition, the store has backpacks, sleeping bags, tents, yoga mats and accessories.
- In-store kiosk available to order items online (at the employee discount) that are not in stock on the sales floor and shipped domestically.

### How do I get access to the store?

- Bring the invite (first page of this document) to the store during the active dates listed. Provide proof of affiliation with the invited group for store access (business card, employee badge, membership ID, etc.).
- You can bring up to four additional guests with each visit (children do not count as a guest and the store is dog friendly).

### Where is the store located?

- Our Bay Area location is right next-door to our Mountain Hardwear HQ in Richmond, CA. It is a beautiful 14,500 sq ft retail space in a true hidden gem of The Bay.
- We also have locations at our Columbia HQ in Portland, our prAna HQ in Carlsbad, our distribution center in Henderson, KY and our Canada HQ in London, ON.
