NEXT MEETING

Monday, June 11, 2018

(No-host social hour - 10:45 to 12 noon)

**Contra Costa Country Club
801 Golf Club Rd. Pleasant Hill, CA**

\$35 per person including tax, tip and door prizes

(This price is subsidized by the Chapter)

**Bruce Niemeyer
Vice President, Strategic Planning**

We are pleased to welcome Bruce Niemeyer to our June 11 luncheon. He is Corporate Vice President of Strategic Planning for Chevron Corporation, a position he assumed in February 2018. He is responsible for setting the strategic direction for the company, allocating capital and other resources and determining operating unit performance measures and targets. Bruce will describe his new role, as well as the significance of the Permian Basin at the luncheon.

Previously, Bruce was vice president of Chevron's Mid-Continent business unit. He was responsible for developing Chevron's assets in the mid-continent United States, including Chevron's significant Permian assets in Texas and New Mexico. Prior to this role, Bruce was vice president of the Appalachian/Michigan strategic business unit, where he led the company's development of natural gas from shale in the northeast U.S. He also served as general manager of strategy and planning for Chevron North America Exploration and Production Co.

Bruce joined Texaco in 2000 from Atlantic Richfield Co. He earned a bachelor's degree in petroleum engineering from the Colorado School of Mines and is a registered petroleum engineer in the state of California.

MESSAGE FROM THE PRESIDENT

This is going to be a short President's message.

Please make sure you get your children, grandchildren and great grandchildren to turn in their applications immediately for the CRA Contra Costa College scholarships as the deadline of May 2 is fast approaching, if it hasn't passed already! It is always a pleasure to meet these bright young scholarship winners at our June luncheons when possible.

Our luncheons at the Contra Costa Country Club are still the best venue of any CRA chapter in the Bay Area. It has a new owner but still a great luncheon menu, good speaker facilities and a spectacular view. Like everything else in the Bay Area, future costs may rise slightly as we work to manage it.

Lunch is still a wonderful way to greet old friends and make new ones. More recent retirees are coming to our luncheons. New faces are always welcome. Invite your friends for great updates from Chevron executives who are chosen by your board for their excellence as engaging speakers. For those of you with friends in other Bay Area chapters, I come back from the NorCal CRA Area meeting with cordial invitations for our members to attend any of the other chapter luncheons. Please let me, or other board members, know if you are interested in joining our chapter board.

It is astonishing to read of the wide range of retirement activities that members send us for inclusion in our newsletters. Keep those newsbytes coming as we vicariously enjoy your experiences. And speaking of retirement activity, don't forget the wide range of volunteer activities that Chevron offers. Stay in touch!

We look forward to seeing you at our next luncheon detailed in this newsletter!

Adrian D'Souza

President, Contra Costa Chapter, Chevron Retirees Association

MEMBER'S NEWS

Bob Shepard: I am sad to report that Gloria passed away on November 29. We had been married 67 years and I will miss her terribly.

Don Stedman: I just turned 90 January 19th. I'm doing fine, I hope !!

John Fitzpatrick: John continues to serve [from April to November each year] as a Licensed Battlefield Guide-Emeritus at the Gettysburg National Military Park, Gettysburg, PA. [nps.gov/Gettysburg] beginning his 15th year in 2018. He estimates that he has given ~1400 tours to ~ 15,000 people [Teachers, Students, Retirees, Lawyers, Nurses, Families, Business Ex-

ecutives, Active, Reserve and Retired Veterans, etc.] since 2004. He has also presented a PowerPoint " 'No Fail Here' Why Did President Lincoln Come to Gettysburg?" more than 50 times in eight different States and the District of Columbia to Local Historical Societies, Civil War Roundtables around the Country, a local Chamber of Commerce Leadership Group, at two Colleges, etc., since 2009. It has always been well received in that the focus is on all the Personal, Political and Policy Pressures impacting President Lincoln and how he overcame them when he crafted and then delivered the immortal Gettysburg Address, arguably the most respected, well known and significant speech in U.S. history. John can be reached at jofi2@comcast.net.

SCHOLARSHIP PROGRAM, 2018-2019

The deadline for the 2018-2019 Scholarship Program was May 2, 2018. We will be announcing the four recipients of the \$2000 scholarship awards at our upcoming June luncheon and we hope to have recipients, who live in the area, attend our luncheon with their parent, grandparent or great-grandparent. We will also announce the recipients in our next newsletter and on our chapter website, along with their pictures.

Past winners of our scholarships are shown on our website, as well. We have grown from granting two scholarships of \$1000 each in 2005 to authorizing four scholarships for \$2000 each this year. Our program is the largest of the Chevron Retires organizations. We are very proud of this program and could not do it without your contributions. This year we want to acknowledge the spouse of the originator of the program, the late Stan Smith, for her continuous support and very generous donations.

For information regarding the program, contact Helen Romain, hromain@comcast.net. We are still encouraging contributions to the program from those of you who haven't contributed yet, as well as additional contributions from those who have already contributed, and these can be sent to CRA, P.O. Box 371, Orinda CA 94563.

Thank you again for these contributions and for the goodwill it provides to Chevron Corporation.

MEMBER'S NEWS (continued)

Glenn Billman: My family and friends will be celebrating my 100th birthday this summer. My actual birthday is June 20th, but due to the fact that several of my grandchildren will not be able to come till July due to other commitments, the party will be moved to early July. We expect about fifty family members, neighbors and guests for a catered dinner in our backyard.

Donald Ray: I've been retired from Chevron Chemical for 27 years. Nearing age 88. Still volunteer a bit with the Share Food Pantry and Ygnacio Valley Library. Kaiser takes good care of us.

Sheree Lomax: Jim and I continue to travel! In 2017 it was Morocco, Russian Far East and Ecuador, Panama and Galapagos Islands. In 2018 we are heading to India and Bhutan. When we're home, our focus is on family, especially our 9 grandchildren.

William Hermann: I have recently moved to Piedmont Gardens after living 14 years by myself in Berkeley, since my wife's death. While I'm not teaching this

term – and age 93 may decide to retire – I continue to have an office at Golden Gate University just a block from my old office at 225 Bush. While there are many interesting people here, they are all old and I prefer the age of my students.

Robert Huntoon: 'Hard to believe it's been 19 years since retirement. My wife Linda and I are still enjoying living on the beautiful Oregon coast. Our health remains good. We are so blessed to be so active. We did buy a second home last year in San Luis Obispo, CA to be closer to kids and grandkids in both San Luis Obispo and San Diego. All the best!

William (Bill) McCord: I am pleased to say that 31 years of retirement were completed last November and to date it has been quite an enjoyable journey by achieving all of the wonderful things that retirement provides – reasonably good health, travel, family involvement, sports, friendships, organizational memberships, to name a few. My entire career was spent in Corp. Public Affairs, (1950-1986). Unfortunately, most of my long-standing friends are no longer with

us, so it is impossible to share fond memories of our working days. Few, if any, can claim that their entire career was spent in Public Affairs which covered every aspect of the Company's communications, community affairs and government affairs for that period. The spectrum of involvement spanned every aspect of the Company's operations which provided a fascinating overview of our business. The Company has maintained its success all through the years which has contributed greatly to the 31 years of retirement my family and I have enjoyed.

Pat Brack: Since retiring, I have managed to find time to garden and donate time to Markham Arboretum here in Concord. In addition, I play old time and Irish tradition music with three bands.

Diane Padurean: Enjoying running our business, Alamo Villa (alamovilla.com), a residential care facility for the elderly in Alamo.

Gary Hook: I've been volunteering every week at the Bay Area Crisis Nursery and as an adult literacy tutor through Contra Costa Library's Project Second Chance. I've also been taking art classes and exploring graphite pencil drawing as a new hobby.

E. James Owens: This is a sad time for me. My wife, Carole, of 65 years, passed away on Dec. 4, 2017.

Linda Johnson: Extremely busy year. Our youngest is a senior in High School. So we have been busy with Marching Band, volunteering and assisting with the college application process. Our oldest just got engaged, so we will be busy with H. S. graduation and wedding reception planning, as well as lots of travel this year!

James Maher: Enjoying retirement. Playing golf a couple of days a week and using my home recording studio daily. I just released a collection of songs entitled, "Malaga Way". To hear the songs, download the SoundCloud app and search on Jimmy Maher.

William Barnard: Bill and Nancy Barnard went to KY in mid-October to enjoy the fall color. However, it was too early in the as the trees were mostly green. On the way, they flew into St. Louis, MO, to visit the Clydesdales breeding farm at Warm Spring Ranch in Boonville and Grant's Farm where the foals that meet the criteria to become Budweiser Clydesdales, enroll

in the Clydesdale "prep school". They also stopped by some wineries along the way and Bill went on the Kentucky Bourbon trail.

David Perkins Sr.: 25 years of retirement is good. Ben Smith, Jack McGuire, Jim Gregory and I have given up on sponsoring our annual marketing get-together, after 23 years. It was fun, but we, all four, are slowing down.

Paul Rathkamp: Since retiring in August 2017, my wife, Lauren, and I have really enjoyed the luxury of time to get out and do more fun things. Last Fall, we took several hiking trips including the Panorama Trail in Yosemite and a short trip to Joshua Tree. We're playing a lot more tennis now and have also joined a health club to keep in shape. Our oldest son is a sophomore at Berkeley, with a double major in computer science and economics. Our other twin boys are juniors at SRVHS. Loving retirement!

Robert Creek: I went back to school to earn a teaching credential and am now teaching 22 first graders at an Oakland public school right next to downtown. First grade is all about learning to read. If anyone would like to help some of the kids to learn how to read, that would be great. We could use you! Greetings to all of you. I miss working with you but love catching up via CRA.

Allen Uzzell (Retired from CVX Corp. Law Dept., 2013): I am currently serving on the Board of Directors of the Richmond Promise, a scholarship program initially funded by Chevron Products Company. A number of Chevron employees and others are volunteering to help this worthwhile effort. Please contact me at aluzzell@comcast.net or (925-856-7765) if you would like more information on how you can support this effort.

Steve Semorile: Been 10 years since moving to Modesto. Volunteer in third grade at Freedom Elementary School, once a week. Still coaching softball with daughter in Spring. Nancy and I will be taking a river cruise up the Mississippi from New Orleans to Memphis in March.

Jim O'Brient: Taking a break from a heavy 2017 travel schedule that took us to Death Valley, Hawaii, Williamsburg and Yorktown, VA, Kitty Hawk, NC, New England, Oregon for the eclipse and Ashland, Euro-

pean Viking river cruise, Versailles and Paris, France, and Sea of Cortez in Baja, Mexico. Whew! Staying home (mostly!) to oversee a kitchen and garage remodeling projects in 2018.

Herb Long: My wife, Randi, and I still live in Lafayette. Like most retirees, we stay quite busy and active. We are quite active in our church – mission and Bible study. We took up birding years ago, so this takes us on various field trips, some with other Chevron folks. We also volunteer for Golden Gate Audubon, taking children on field trips. I golf, exercise and garden. We still enjoy travel in the US and internationally. Days are too short!

Roslynn Lloyd-Brickner: Working after retiring from Chevron at PG&E (previous BR1 office space for

Chevron). Celebrating 5 years.

Katy Woody: Enjoy staying home with my high school kids and working out every day.

Kathleen Marke: I am grateful for the Retirees Association and look forward to the newsletter.

Mark Logan: Retired another year and loving it! Especially time with the three grandchildren.

Med Kamal: I retired from Chevron at the end of 2016, however, as a Fellow Emeritus I am still engaged with the activities of Chevron Fellows. I am a petroleum engineer, i.e., an upstream person. I worked for Chevron from 2000-2013 in San Ramon and was transferred to Houston at the beginning of

COMPASSION COMMITTEE REPORT

The following is a list of members of the Contra Costa Chapter of Chevron Retirees who have passed away since the issuance of the last newsletter:

William J. McCarthy
Leon E. Dulac

A complete list of Chevron retirees' deaths is published quarterly in the retirees' magazine Encore and in the Chevron Retirees' website (www.chevronretirees.org). If you come to know of any Chevron Retiree members from the Contra Costa Chapter who have passed away, please let us know immediately at compassion@chevronretireescontracosta.org.

VOLUNTEERING OPPORTUNITIES WITH CHEVRON HUMANKIND

Come volunteer with employees!! Chevron has lots of volunteering opportunities throughout the year and you are welcome to join in the fun. These are all 1-time events, no regular commitment required.

We have extracted the volunteering activities located in the East Bay that are listed in Chevron Humankind, plus Employee Network events, and put them into a document which you can access either through the link at the bottom of this article, or from the CRA Website, www.chevronretireescontracosta.org. Find something you like and sign up today. If you have an idea for a CRA volunteer activity, contact Brad McCullough (bjcc2@comcast.net).

Some highlights:

- Enjoy the Cinco De Mayo Festival; May 6; CFD booth or Chevron booth; Richmond
- Dinner with a Scientist; May 7 or May 8; Oakland
- NCLR Annual Gala; May 19; SF
- Juneteenth Parade and Family Festival; June 16; CFD booth or Chevron booth; Richmond

MEMBER'S NEWS (continued)

2014. Upon retirement, I returned to the Bay Area and re-joined my family.

Richard and Peggy Nielsen: We sold our condo in Incline Village, Nevada in 2016. Richard had shoulder surgery in October 2017 and is still doing physical therapy. We lost our daughter, Kelly, to cancer in February 2018. She was 47 years old.

Deb McNaughton: I am enjoying my second year of retirement with lots of travel. In 2017, the highlight was a trip to the Scottish Highlands to visit my ancestors' home. The highlands were breathtaking. I got a private tour of the family castle near Inveraray. This year

I am going to Morocco (my second time) where my eldest son lives and then to Spain. I love retirement!

Sandra Garcia: Another fine year!

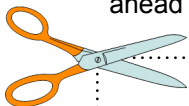

Sharon Martorella: I'm now teaching a craft class at Mt. Diablo Adult School in Pleasant Hill – weaving with seed beads on a loom. Also still sewing, knitting and gardening.
